Comisión para el Mercado Financiero

**MATERIAL FACT**

**Empresas CMPC S.A.  
Securities Registry Number N°115**

Dear Sirs:

Pursuant to what is laid down in articles 9 and 10, second paragraph of the Securities Market Law No. 18.045, I hereby inform you as a material fact that as of this date Empresas CMPC S.A. ("the "Company") entered into a memorandum of understanding ("the agreement") with Neltume Ports for the joint development and operation of a port terminal in the State of Rio Grande do Sul, Brazil.

Along with elements typical of this type of agreements, the memorandum of understanding contemplates the establishment of a new company in which CMPC and Neltume Ports will participate equally, being that company the one that will carry out the development and operation of the port terminal mentioned above. The agreement also contemplates the way in which this company will be managed, as well as the rights and obligations of the parties, among other similar aspects.

Considering that the company does not yet exist and that upon incorporation it must apply for a port concession, which may not occur, it is not possible at this date to determine the financial effects that the information referred to in this communication may have.

Sincerely,

**Francisco Ruiz-Tagle Edwards  
General Manager
